WYATT TIMBER BIN

50L

FEATURES

- Manufactured from FSC certified African Iroko Wood, the Wyatt Timber Bin features a galvanised steel lid and bottom for contrast and durability, a large round aperture to facilitate waste disposal, and a galvanised inner liner for quick and easy emptying.
- It can be customised with the optional purchase of a hinged lid, and it is available in light, dark and natural oak colour options.

Specifications

- Galvanised steel lid and bottom.
- Hinged lid.
- Iroko wooden slates.
- FSC certified timber.
